

# St Mary's Mag

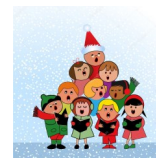

If you would like your child to have a delicious Christmas Dinner, please order no later than Friday 11th of December. You can either check your email and order using the letter that was sent to you, or log into Arbor and choose if your child is in the club 'Meat' or club 'Quorn'. You can pay for your school dinner using Parent Pay as normal. Remember on the 16th of December your child can come to school dressed in anything 'Christmassy' ready for our Christmas Parties.

The Sheffield Public Health Team has asked schools to remind parents:

- That if anyone has symptoms they must self-isolate, get a test and return home straight after the test. The household should self isolate and children and young people should not come into school. This follows an increasing number of pupils who are coming into school when they are awaiting a test result themselves or have family members whom they live with awaiting test results.
- The 'class bubbles' **do not** mean that children and young people can continue to meet up outside of school. Play dates and sleep overs with children from the same friendship groups or school classes should not be taking place. The bubbles in school are to support contact tracing and to minimise risk of virus transmission. Outside of school pupils should not be mixing. This follows the current national restrictions that are currently in place.

Thank you to all those in Reception and Key Stage 1 who have cast their vote for which Christmas Song they would like their class to record this year. Please check your emails and vote if you have not already done so.

On our school playgrounds, please remember;

HANDS

FACE

SPACE

Due to Covid19 we need to have classroom windows open for parts of the day to improve air circulation. Pupils still need to wear school uniform, but we encourage them to have layers underneath as the classrooms are getting colder. Thank you for your understanding.

Our final Children in Need total was a massive **£1534.44!**

Thank you all for your generosity this year and well done to our Junior Leadership Team for such an amazing day!
