## Relationships and Health Education

Thank you to all of the parents who filled in the form regarding the 'Growing up at St Mary's' booklet and to those who attended the parent consultation on the Relationships and Health Education. Your feedback was incredibly useful and we will ensure that it informs how we teach the curriculum.

If you would like to view the materials that are used to support the teaching of Relationship and Health Education and the puberty and reproduction aspects of Science, please ask in the office who will show you the box of materials.

Due to the consultation feedback, it has been agreed that more sensitive aspects of the curriculum will be taught in gender specific workshops, however both genders will still learn about the other gender, so they have all of the scientific information.

On Wednesday 22nd January we will have our last service at St Mary's Church with Reverend Melanie. All welcome to attend.

Each class will say a prayer and thank her for all her hard work, not only as our school's reverend, but also for being part of our Governing Body, from which she has now stepped down.

I'm sure you will all join me in wishing Reverend Melanie a happy, relaxing and peaceful retirement.

## Year 1 Tea Party

On Thursday the 23rd January, the Year 1 children will be having a tea party as part of their learning about London and the Royal Family.

The children are able to change into the best 'party clothes' in the afternoon. Please do not go out and buy a new outfit- this is just a fun activity to engage children in learning. Please inform school if your child has any allergies.

Thanks.

## After School Club

Just a polite reminder that After School Club finishes at 5:45pm.

If you are late you will be charged a late fee and if it is a frequent occurrence your child will not be able to attend the club. Many thanks for your understanding on this matter.

## Toilets

If your daughter has started her period, or when they start in the future, could you please inform the school office either in person or via email/letter.

It is important that we are aware so that your child can use the toilet in school that has the correct facilities for her needs. Thank You.
