

**Mrs. Grant**

Our classroom is at the top of the stairs of the top floor (formerly the Y2 classroom).

## **Hello new Year 4!**

I am so excited to get to know you all over the coming year. There are many exciting things to look forward to in Year 4. We will be studying the 'I am Warrior' topic in the autumn term which is about the Romans. We will be visiting Western Park Museum and learning about how to keep ourselves and our teeth healthy.

After Christmas, we will start swimming lessons at Ponds Forge and our topic for that term is 'Raiders and Traders' which is all about the Vikings. In science for that term, we will be learning about living things and their habitats. For that topic, we will be doing some field work in Ruskin Park.

Then, in the summer term, we will be embarking on the 'Road Trip USA' topic. We will visit Grimm & Co. in Rotherham and participate in a digital photography workshop at the Apple Store in Meadowhall.

However, before all that it is the summer holidays and I've created a homework grid with lots of activities to keep you busy over the six weeks.

**Have fun and I will see you in September!**

# Year 4 Summer Homework Grid 2020

Colour in each box once you have completed the homework assignment.

How many can you complete over the holidays?

## Computing

Create a simple game in Scratch. Use the tutorials on the Scratch site to help you.

## French

Learn how to sing 'Happy Birthday to You' in French.

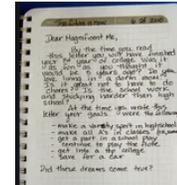

## Research

Research Roman Numerals. Can you learn to write Roman Numerals up to 10? 20? 100?

## Writing

Write a letter to yourself to be read in one year. What do you think will happen to you in the next twelve months?

## Art

Our topic next term is about the Romans. Can you draw a picture of Roman God or Goddess?

## STEM

Bake a cake or cookies from scratch.

## Research

Read a book or watch a film on a Roman theme. Write a review of it and bring it to class in September.

## Art

Design a mosaic using a repeating pattern. Can you try to create it using pieces of paper or card?

## Environment

Make a bird feeder.

## Discussion

Discuss with your family ways to reduce your plastic waste.

## Reading

Read a book and write a review. Ask your parent if you can post it on Amazon.co.uk.

## Design and Technology

Make a model of a Roman villa using junk materials such as cereal boxes, coloured paper, tin foil and cardboard tubes. Use online images and pictures in non-fiction books to inspire the layout of your villa.

## Independence

Donate canned items to a food bank.

## Mathematics

Learn square numbers up to 12.

## Get Active

Make a kite and fly it!
